Gandy,
 So a great

 this could possibly be part my fault
 but I doubt it!! Good luck with Jim

Robert Dudley Chilton entered the United States Navy in January of 1941 and received his wings at Corpus Christi, Texas. He served in World War II and the Korean War by flying missions from air craft carriers. After the wars, he served as an instructor and headed one of the Survival Schools that helped train men for the war in Viet Nam.

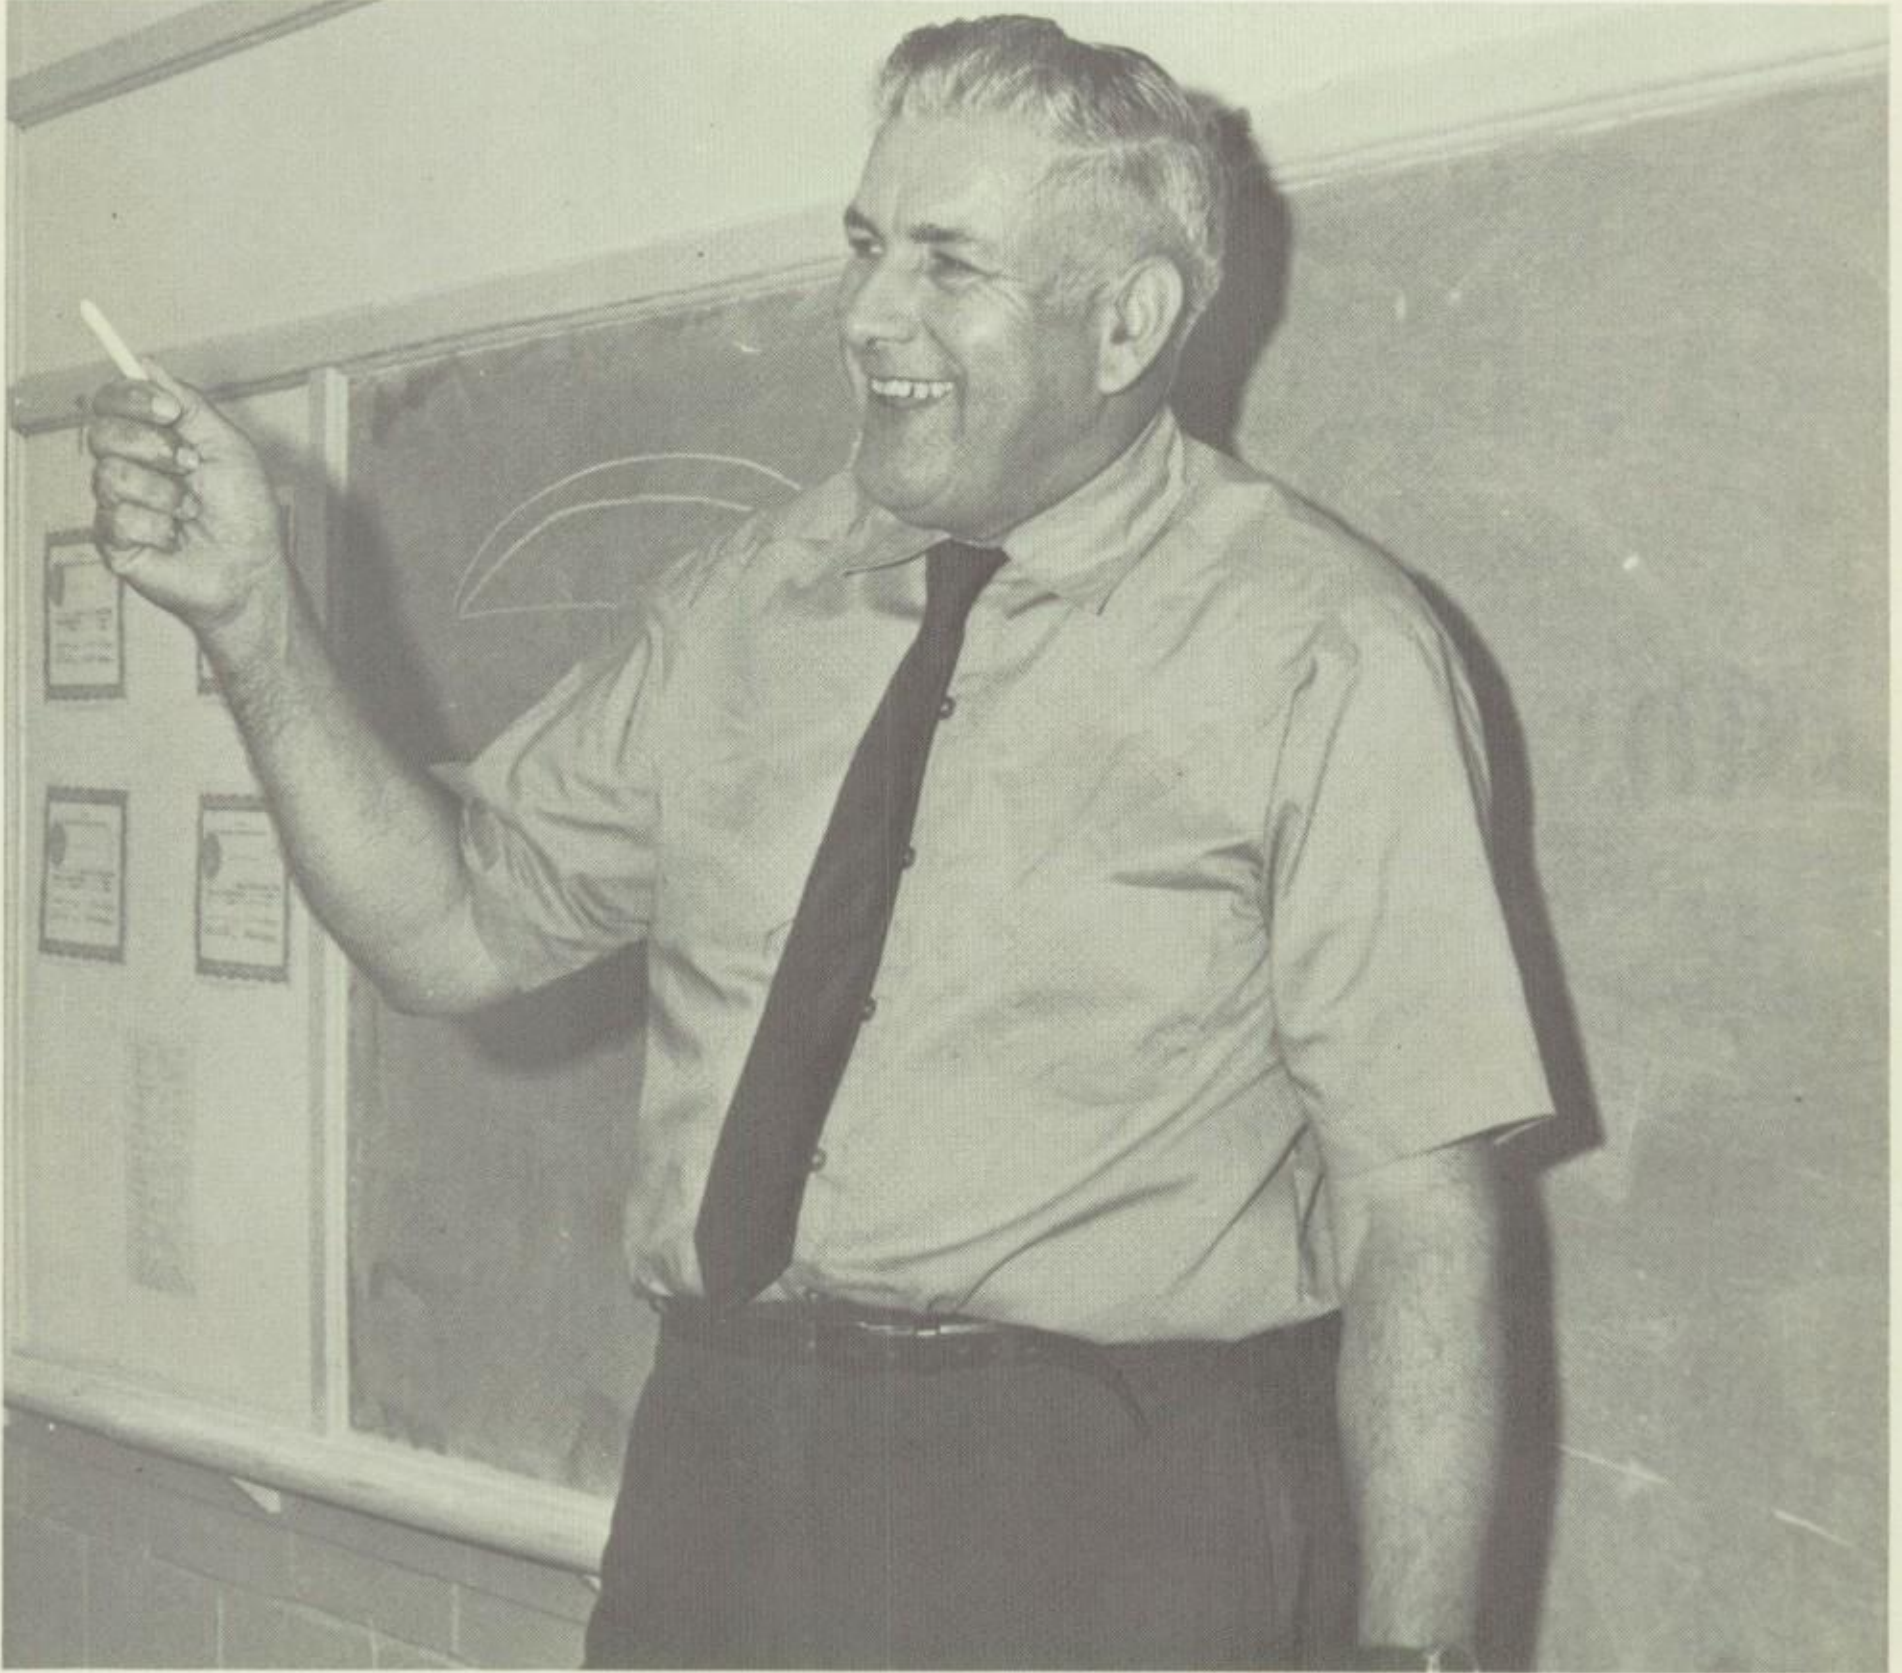

He now shares his experiences of world travel with the students of Henry County High School.

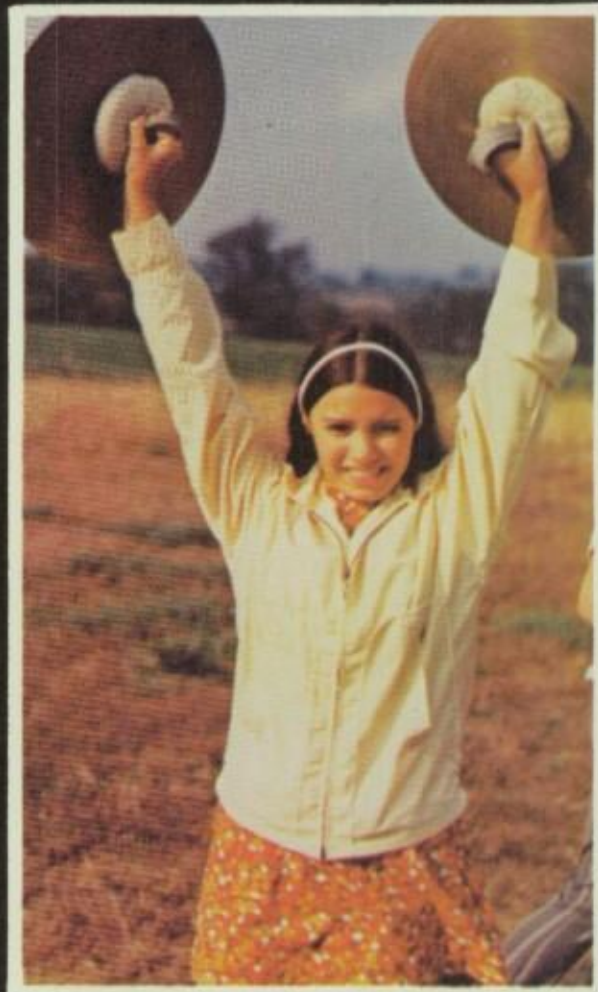

DEDICATION

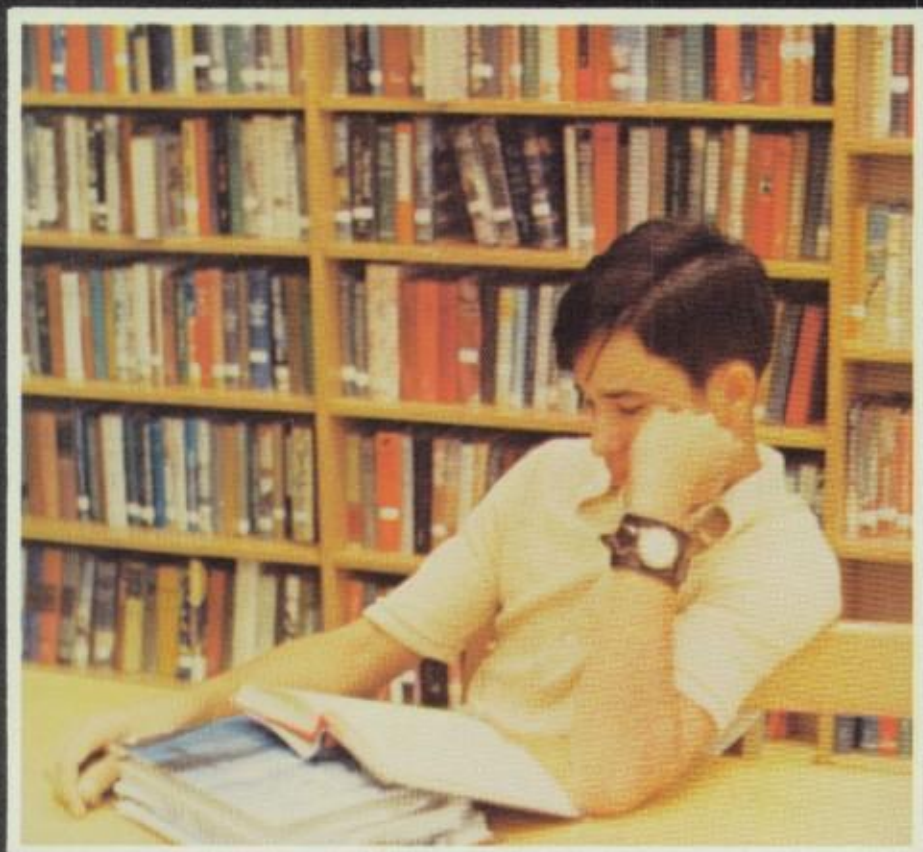

ROBERT CHILTON

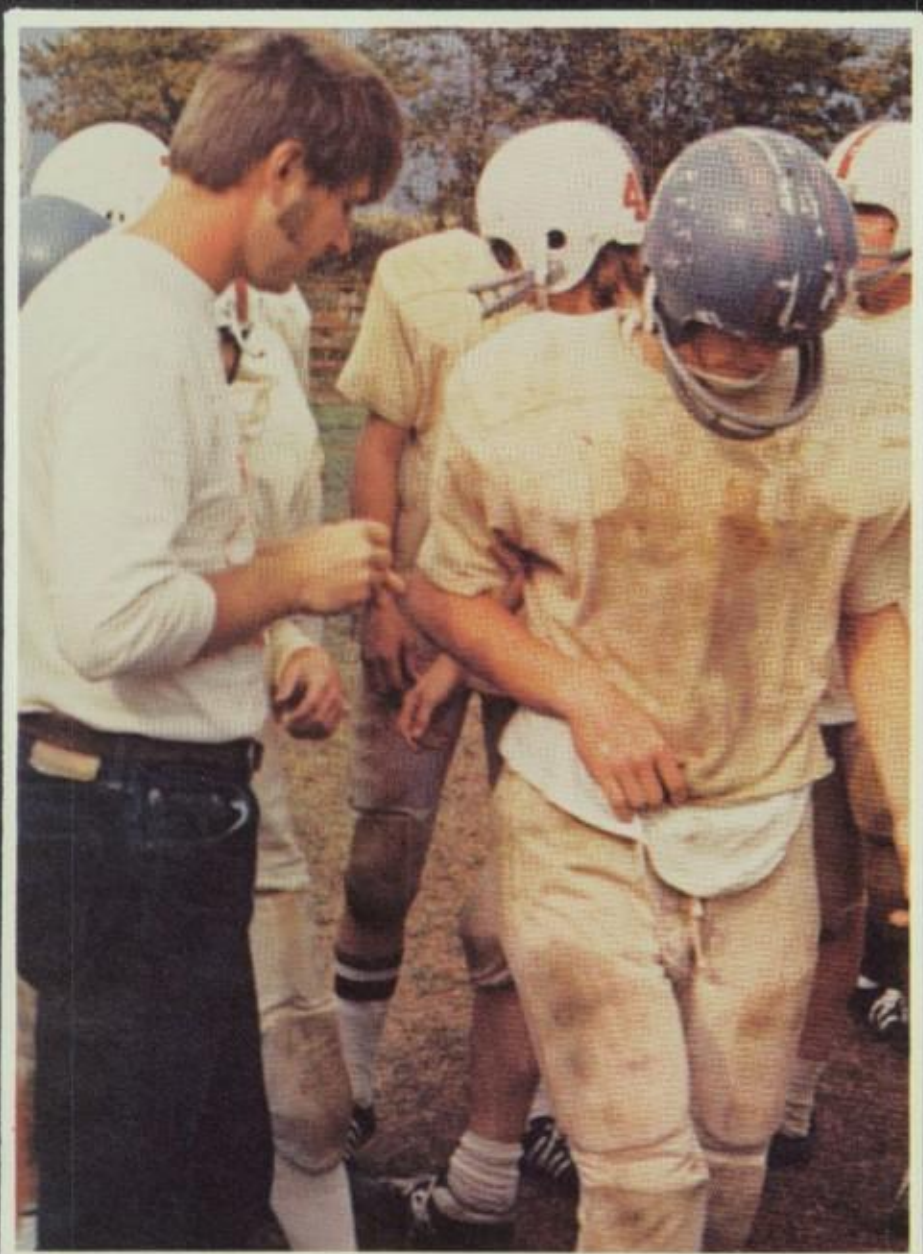

During the past four years of our life, there has been one person in our faculty who has stood by us. Through all our work in Freshmen and Junior Co-ed-y and those snowy days we struggled with Junior Prom decorations, he has been faithful. As a teacher, he has devoted his life and experiences to better our knowledge of Social Studies.

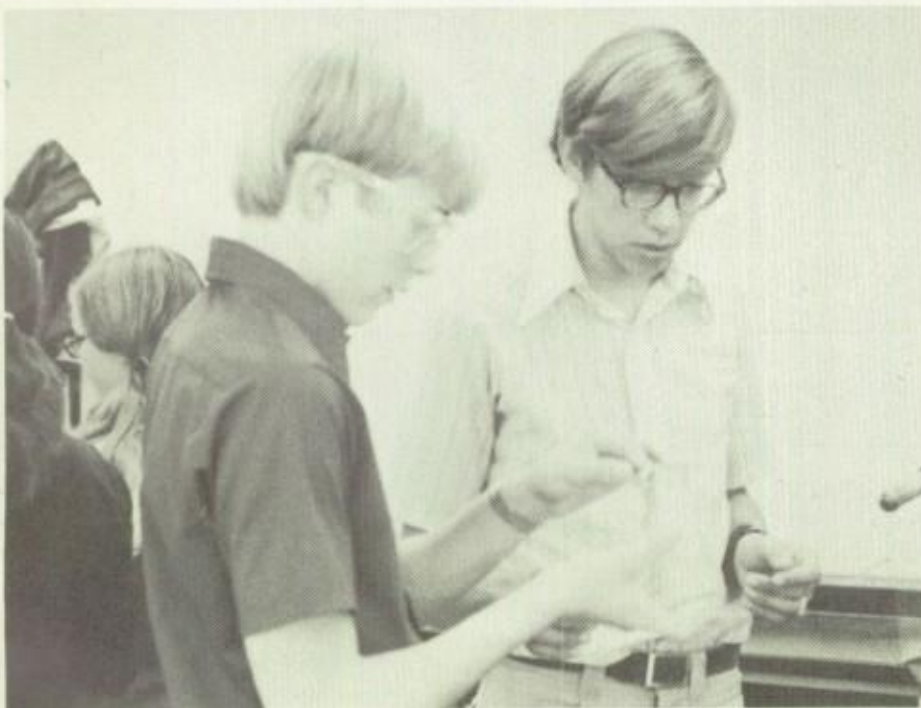

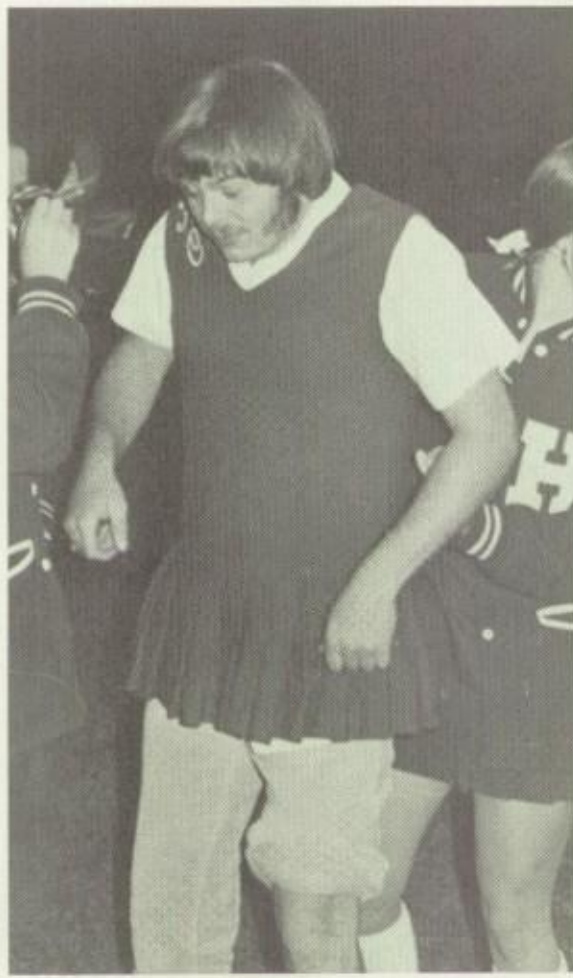

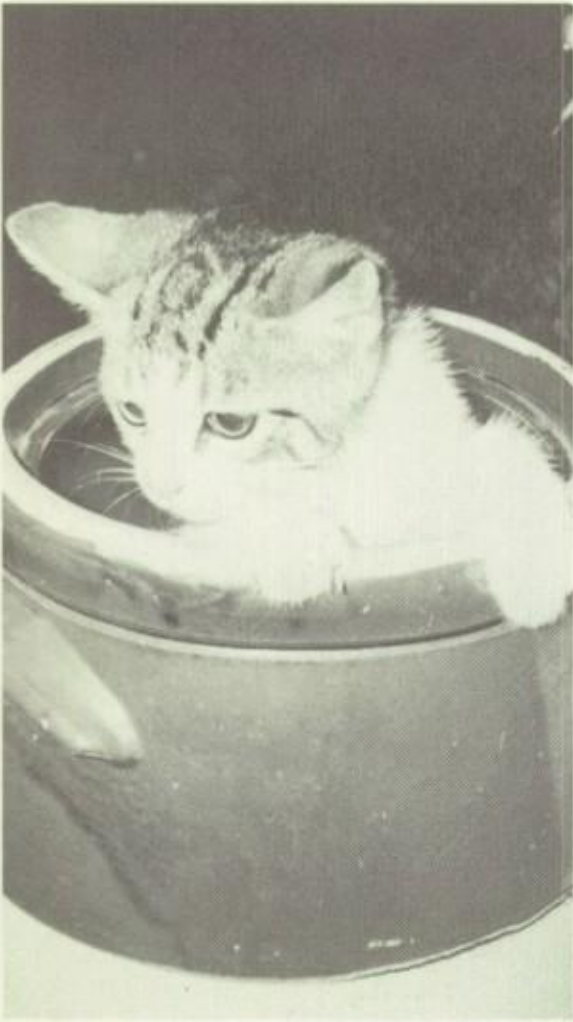

To you, Mr. Chilton, we owe our gratitude and thanks. Expressing our appreciation, we dedicate this, our 1973 Wildcat, to you.

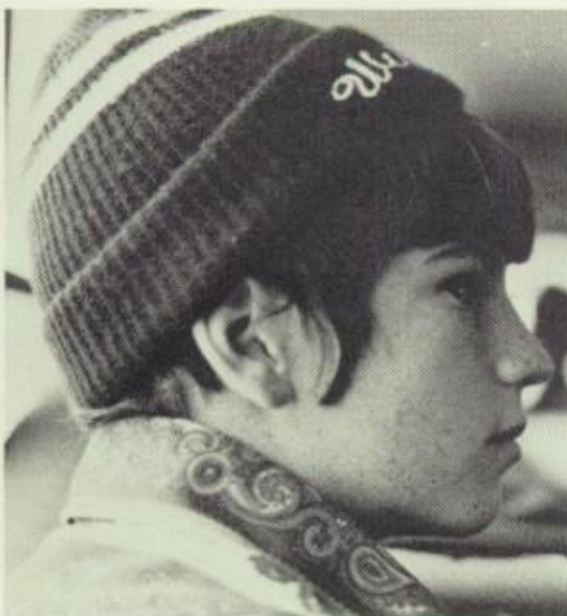

*Today is the first day
of the rest of your life.*

"Out of eternity,
 a new day is born . . ."
 A day of greater opportunity--
 A milestone in one's life--
 A world to encounter--
 An escape from
 the bars of yesterday--
 A passage to
 the realms of tomorrow . . .
 Come experience with us
 a world of excitement
 and new beginnings . . .
 For this is the first day
 of the rest of your life.

SENIORS

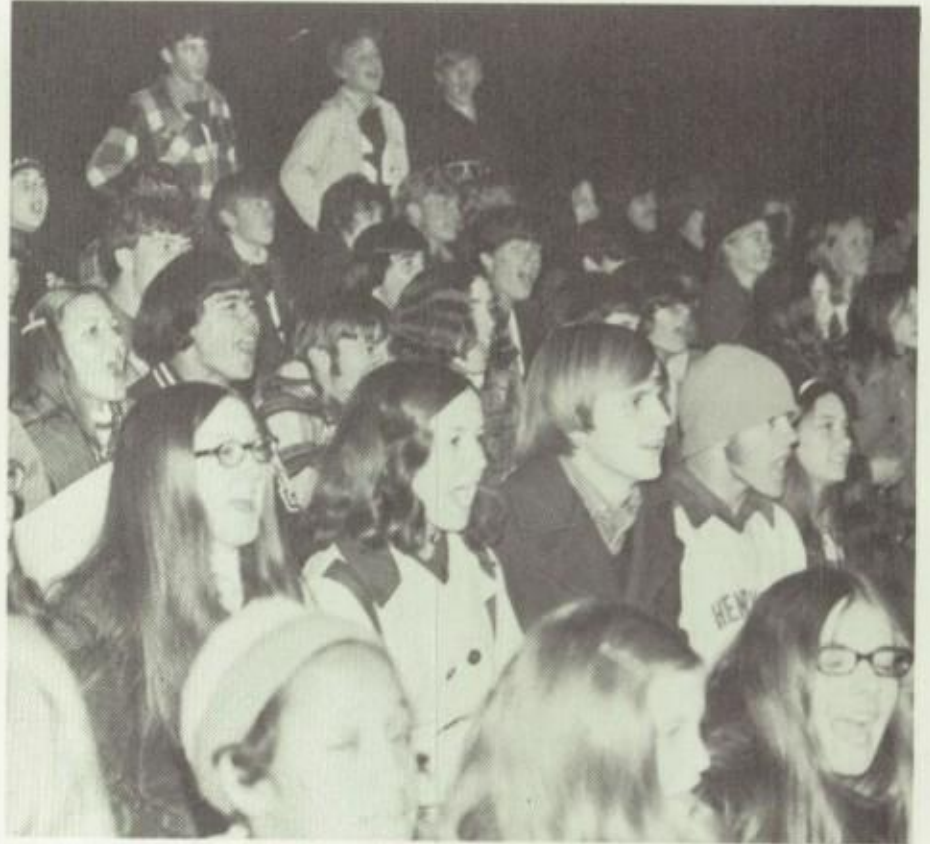

Achieve today for nobody is giving you tomorrow.

SENIORS

For Seniors, this is only the beginning--a time when the fantasy of yesterday matures into the reality of tomorrow.

This is our year at Henry County High School. Because of what we said and did and thought, we made it "all our own."

The '72-'73 year will always bring memories of a mood that can never be relived.

Enthusiasm was great for the football Homecoming.

The Sophomore class is made up of 136 students. They are a very active class led by all-boy officers. They are members of many of the clubs in our school and some serve as officers. Sophomores also participate in band, golf, track, basketball, baseball, and football. Four sophomore girls were elected to the Junior Varsity cheerleading squad.

The class is also kept very busy with many hard courses. The sophomores of '73 will long remember their new experiences in Biology and those frightening English speeches.

The Henry County School System has attempted to provide you with a unique educational experience, enhanced by a keen sensitivity for your many needs. Hopefully, we have added to your capacity for personal growth, both intellectually and socially.

The challenges ahead are multitudinous, pervaded with complexities, and requiring a special kind of commitment. Your concern toward human existence, if given compassionately and sincerely, will make our society a better place for all. By taking, as Robert Frost wrote, "the road less traveled by", you can, indeed, make the "difference" between a society sored with mediocrity and one vital with excellence.

The faculty and administrators of Henry County, saddened by your departure, wish for you a most successful and eventful future. We are confident that what you have learned here in the past will enrich each of us respectively for the many years to come.

ORGANIZATIONS

The first step which we make in the world is the one on which depends the rest of our days.

Student Council Works Hard To Improve School

The Student Council is the main form of student government at HCHS. It is run by the students themselves with a faculty advisor and the student body is given a chance to voice its opinions. The council is set up to study any problems in the school or the school's activities. This year, the council has been working on the adoption of our Alma Mater and plans for new football bleachers.

The Student Council works together to improve our school and its activities.

Wildcats Sweep Cadets for Homecoming Victory

Harold Crawford, our punter and kick-off man, finished the year with a 38 yard average.

David Grubbs works hard to gain yards against a strong KA defense.

Senior Football Players

Morris Dawkins

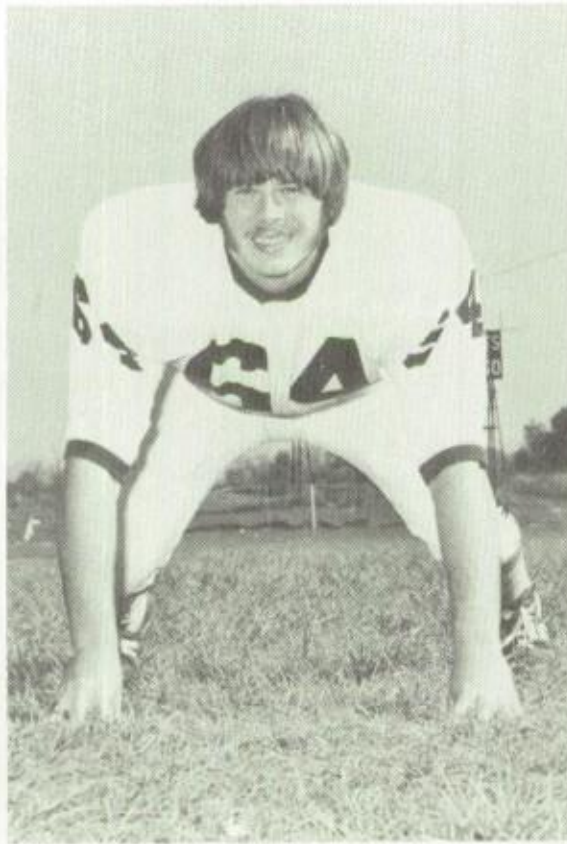

These five players are the senior members of our Varsity team. Morris Dawkins led our team in tackles and served as co-captain. He received the 110% and best defensive player awards and was all conference player for two years. George Prueitt was our leading pass receiver and best defensive back. He was named to the all conference team for two years. Joey Clubb played Varsity for two years. He was both offensive and defensive tackle. Dean Miskell played Varsity for one year as a defensive guard. Terry James was the team's co-captain and played offensive guard and defensive end.

The Freshmen football team had a successful year this year with two wins, two losses, and a tie. Coached by Calvin Johnson, this squad of seventeen practiced many long hours to become a winning team.

The Freshmen were up against tough teams and fought hard to come out on top. With such a hard-working Freshman team, our varsity prospects for the coming year look good.

Wildcat Basketball Team Has Winning Season

ROW ONE: B. Prather, T. Pryor, L. Tingle, D. Waford, R. Ethington, G. Lyons, D. Stivers. ROW TWO: J. Simpson, D. Prather, J. Barnett, D. Loudon, W. Gividen, S. Douglas, J. Tingle, C. Sloan, T. Peniston.

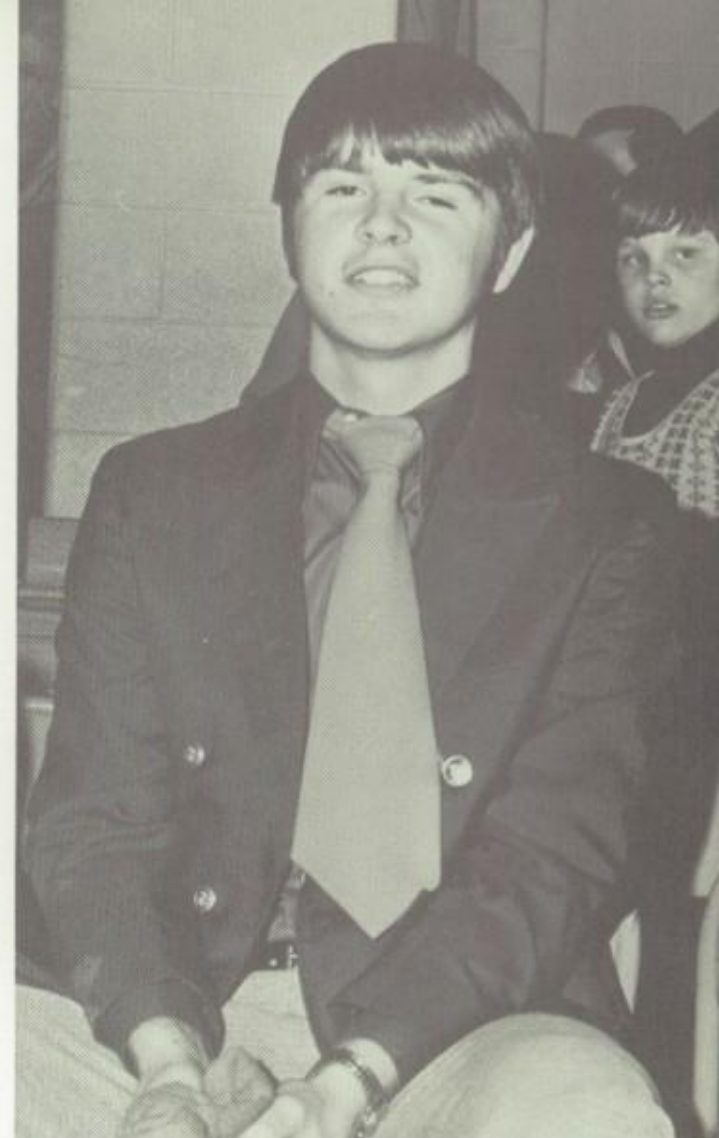

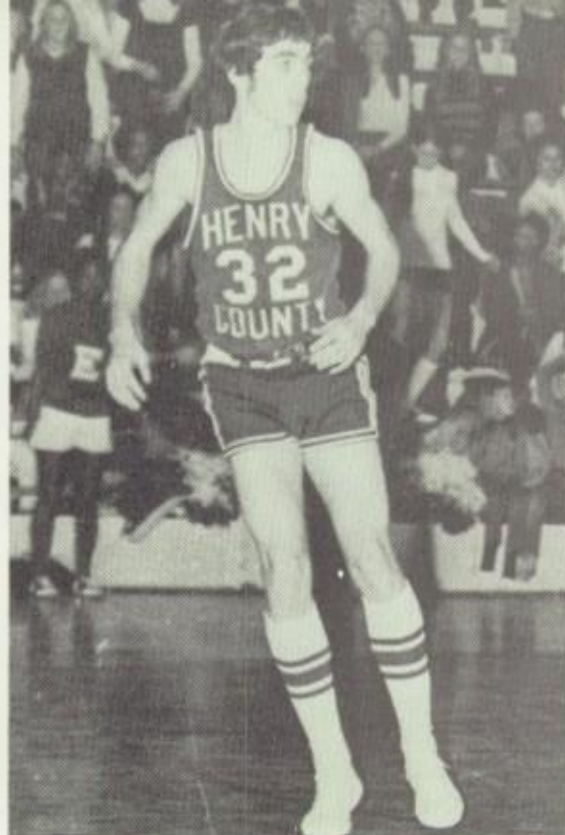

From the very beginning of the season, our Varsity has looked like the team the experts predicted. The pre-season experts said the Wildcats looked very much like good Regional Contenders.

Victories early in the season such as the one over Shelbyville 58 to 40 and Oldham County 65 to 55 were very impressive. The win over Oldham was an especially sweet one because it was our first victory over them on their floor in seven years.

Our team has always been very close. They practice hard together and display much teamwork during a game. Despite a few misfortunes, such as Wendall's appendicitis at Christmas, our team has worked hard and deserves to be a winning team.

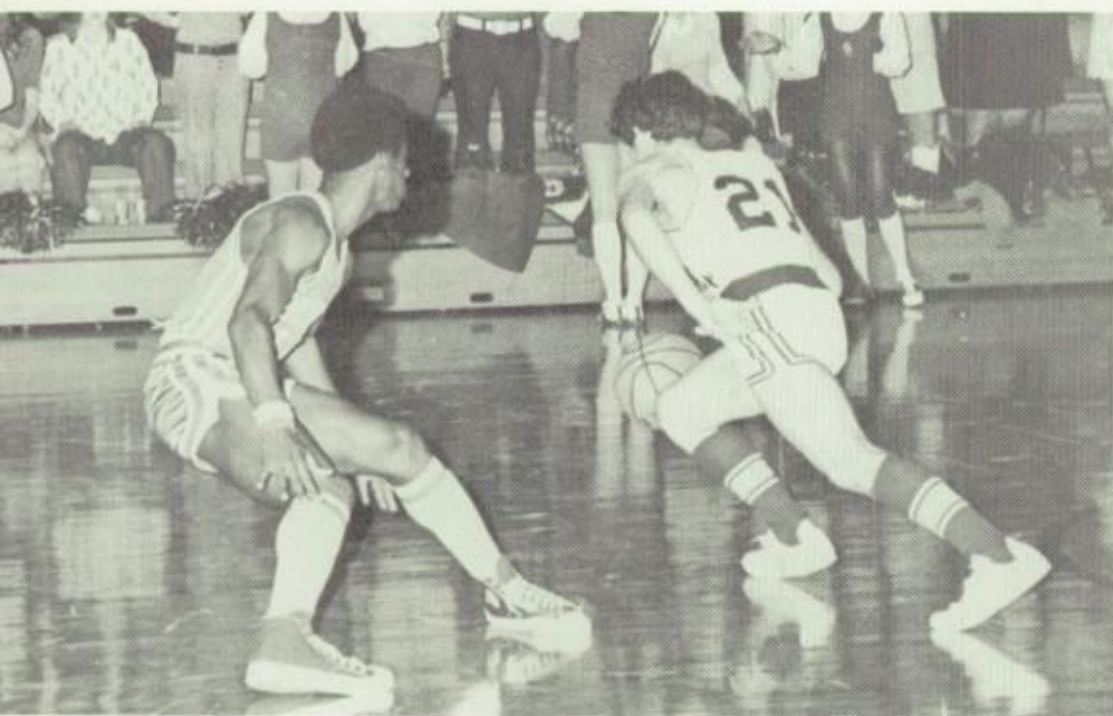

Wildcats play a strong second half to come out victors over warriors.

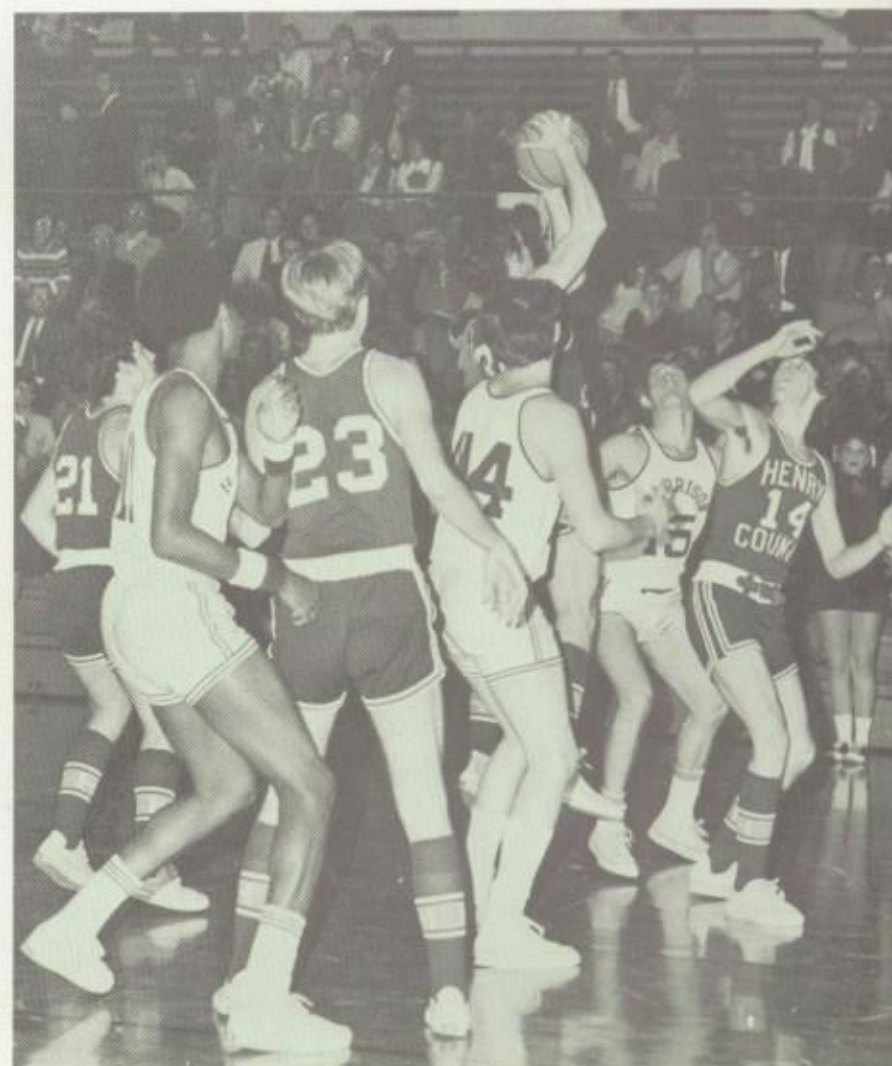

Center Wendall Gividen was sidelined for several weeks following an appendicitis attack; however, he supported the team by offering them spirit and confidence.

John Barnett controls the ball after a Cat rebound.

Davy Woford displays fancy dribbling.

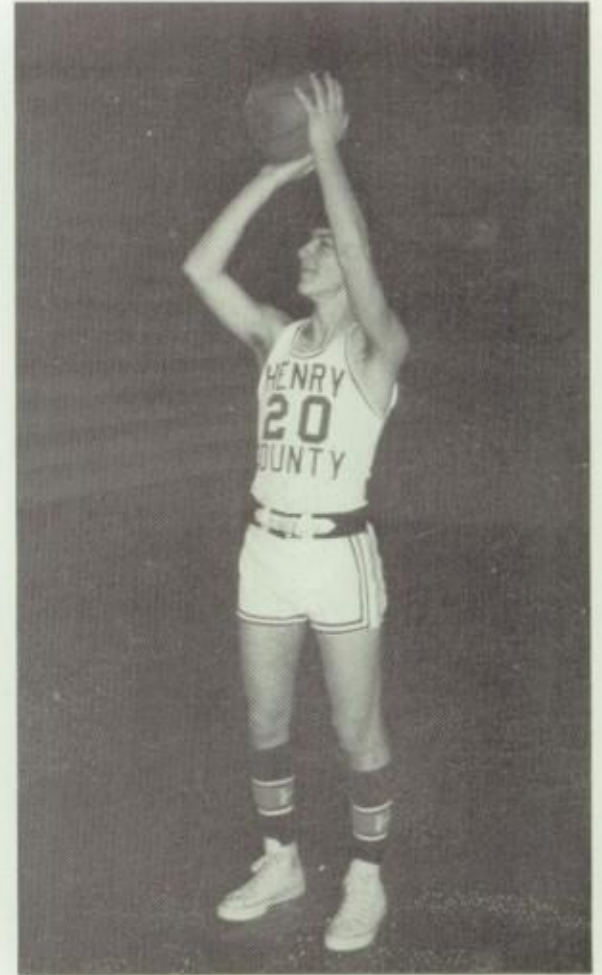

Cats play good games during HCIT in early January.

Senior Wildcat Players Deserve Many Thanks

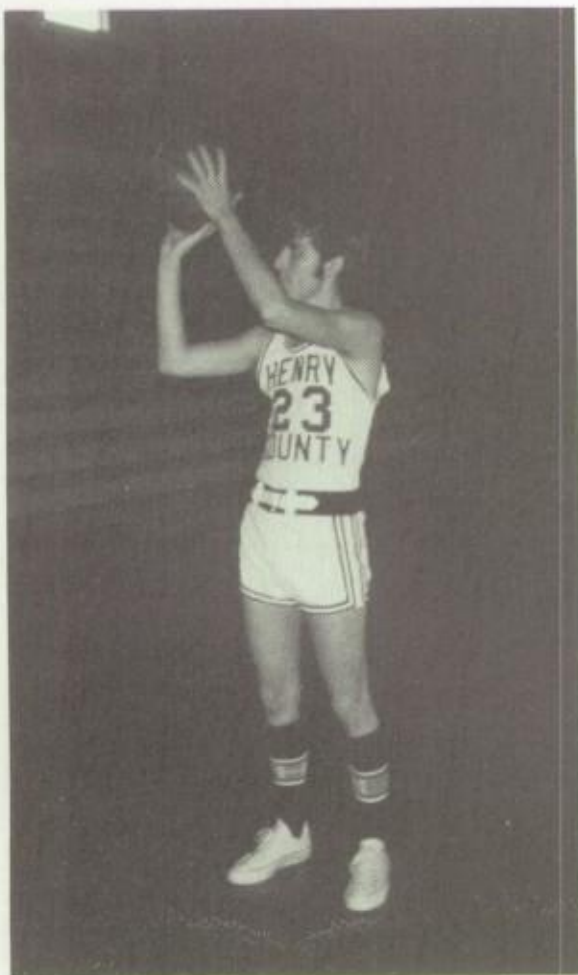

These five players represent the senior members of our Varsity team. They are Steve Douglas, Robbie Ethington, Garry Lyons, Danny Stivers, and Davy Waford. Steve can be seen on the basketball floor as forward or center. Robbie, who came to HCHS from Eminence his Jr. year, plays forward. Garry plays his basketball at the guard position. Danny has started at forward for the past two years and Davy has started for the past two years as guard. All of these boys have put in long hours for our team and they deserve many thanks.

JV Team Shows Spirit, Pep, And Prospects for Future Varsity

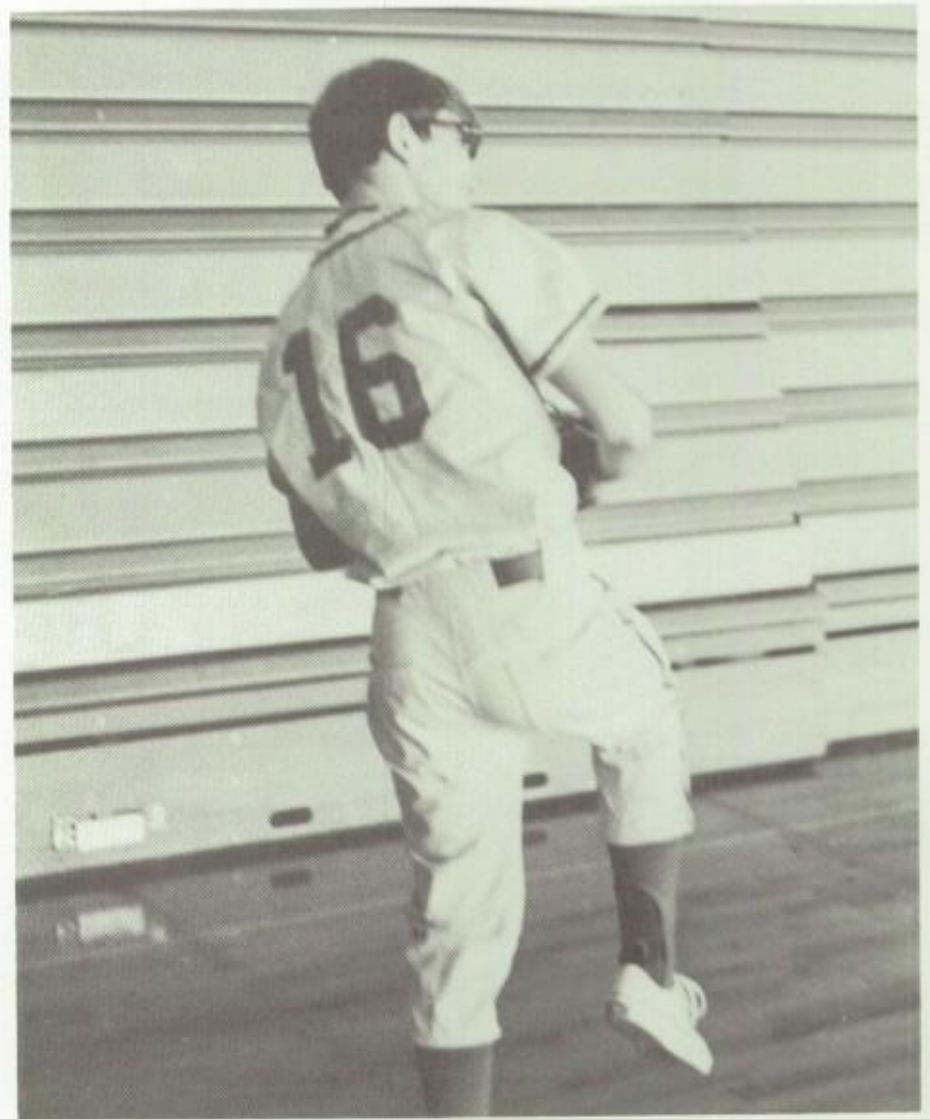

This year's junior varsity, coached by Joe Simpson, has played well against our neighboring counties. Although they are small in number, they are large in talent and ability. Some of the players are also members of our varsity. With a JV like this, our varsity will have another winning next year.

Our Coaches

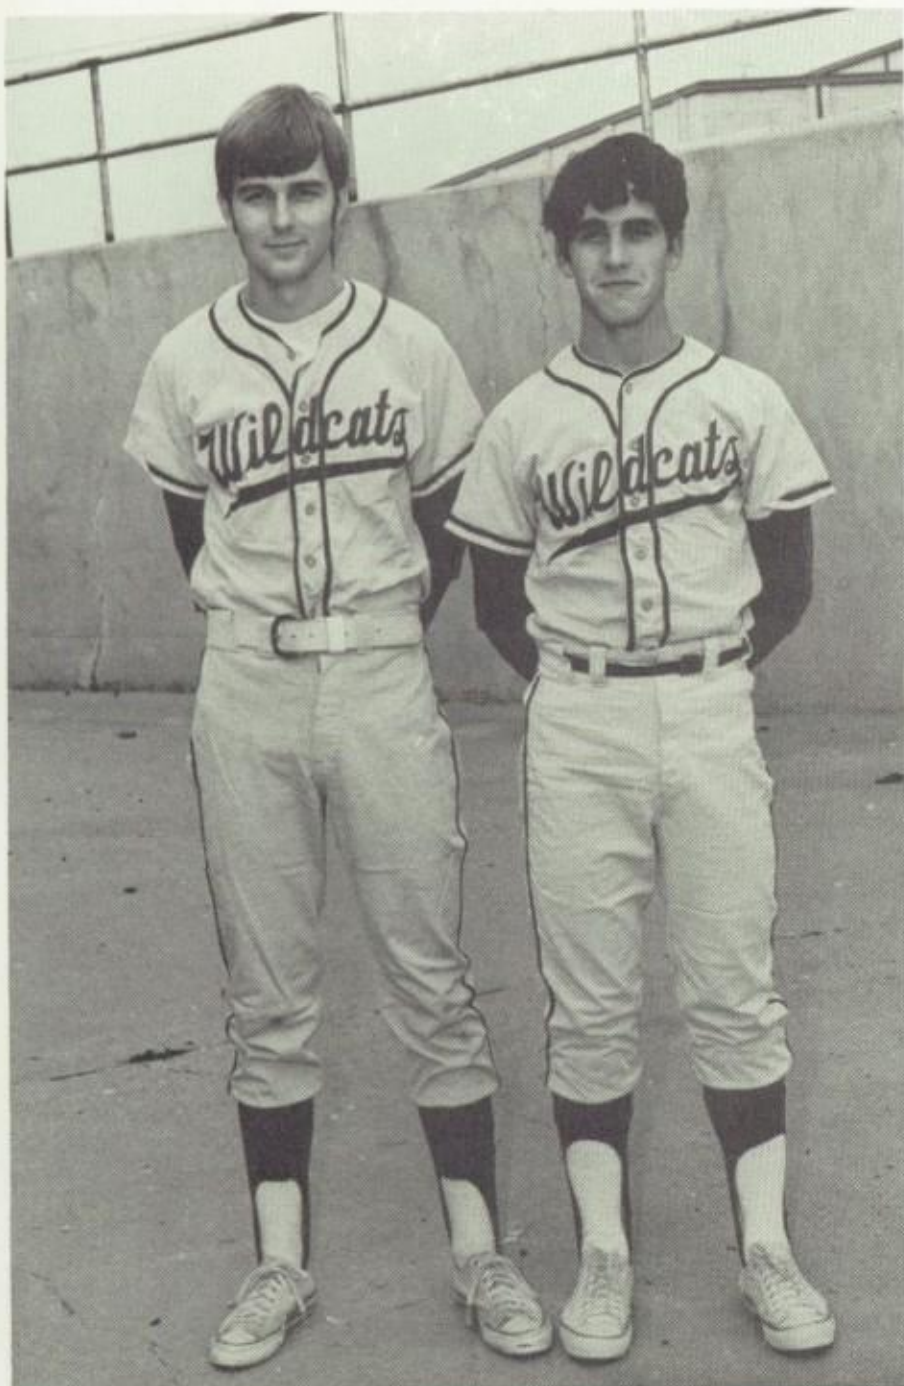

Baseball Teams Looks Toward Regional

The Wildcat Baseball team is coming on strong this year with six lettermen back from last year's district runner-up team. However, Coach Simpson says that in order to compete well with the other teams, some of the younger players will have to work extra hard.

ROW ONE: D. Waford, M. McGlothin, L. Tingle, D. Cravens. ROW TWO: T. Banta, P. Hughes, A. Clubb, T. Baker. ROW THREE: G. Lyons, T. Pryor, M. Payton. ROW FOUR: Coach Simpson, H. Crawford, D. Hazelwood.

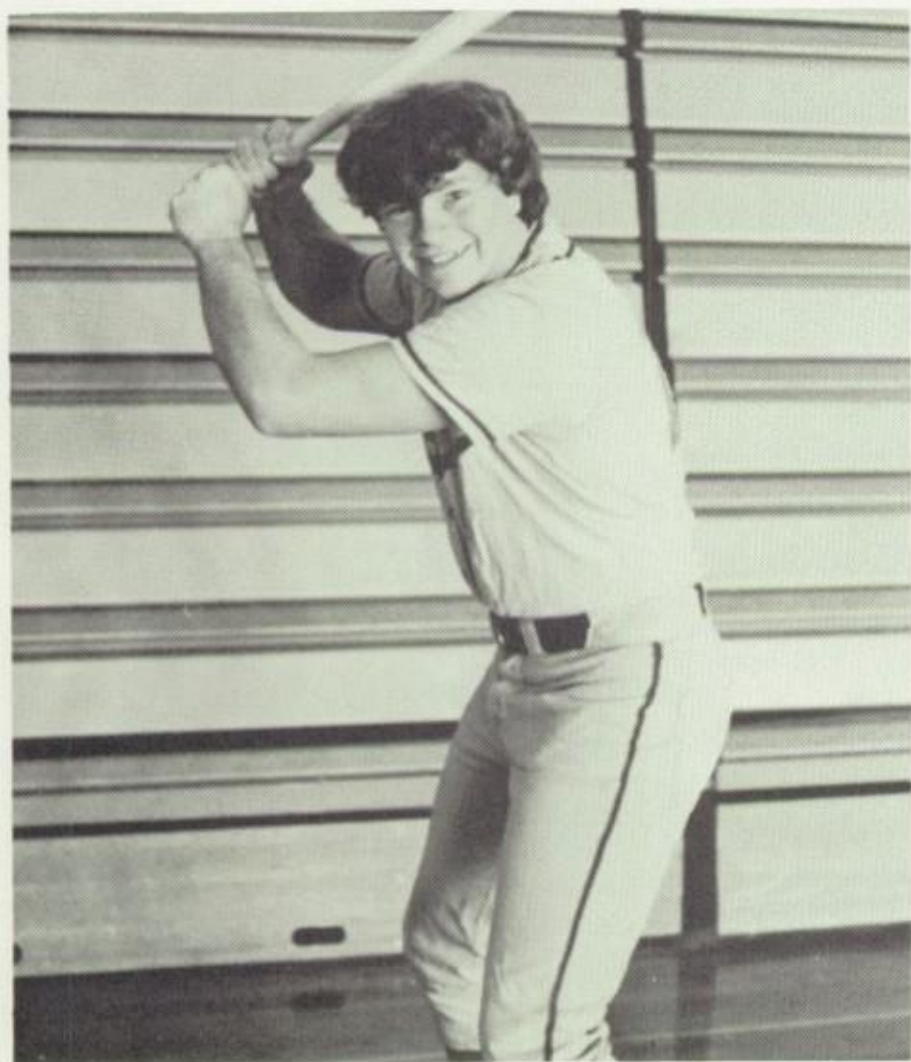

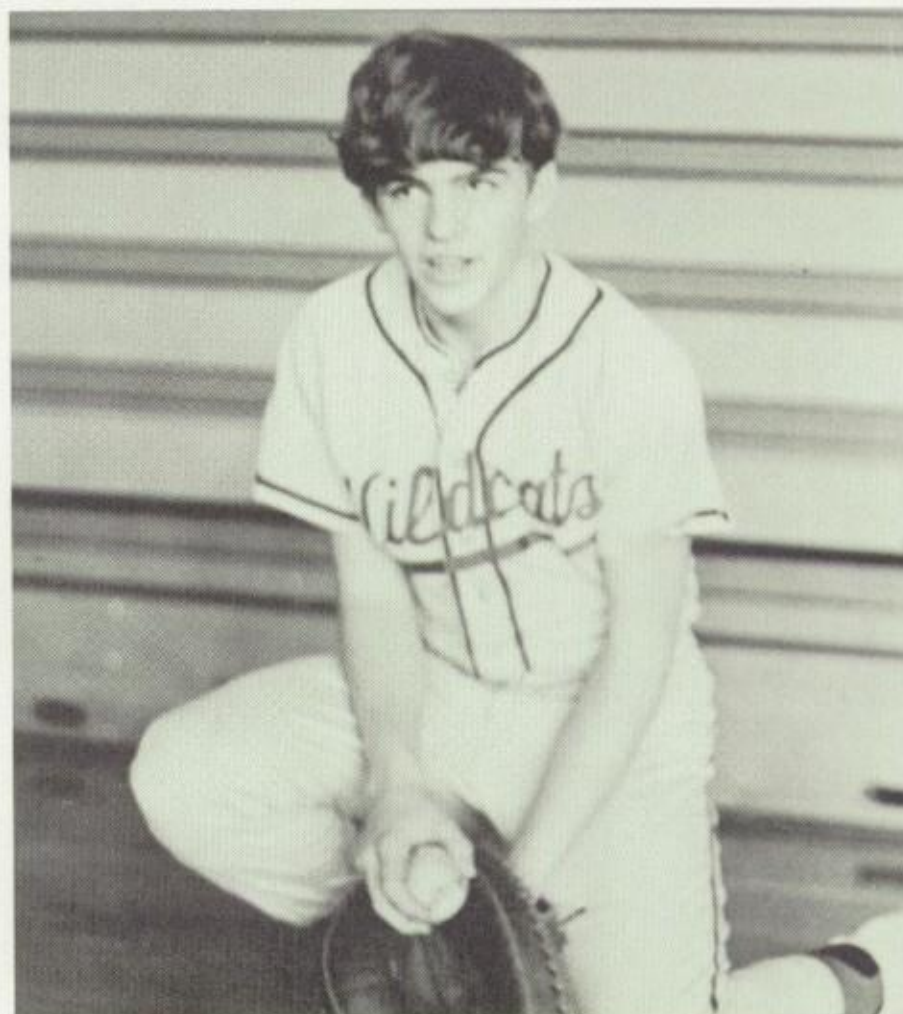

All-Conference Team

Garry Lyons

Davy Waford

These two Senior boys were named to the All-Conference team in 1972. The players are chosen by the coaches of the teams in our conference.

Davy and Garry have started for the past two years. Davy holds position in the infield and outfield. Garry is both pitcher and shortstop.

Track Team Picks Up Fast Pace

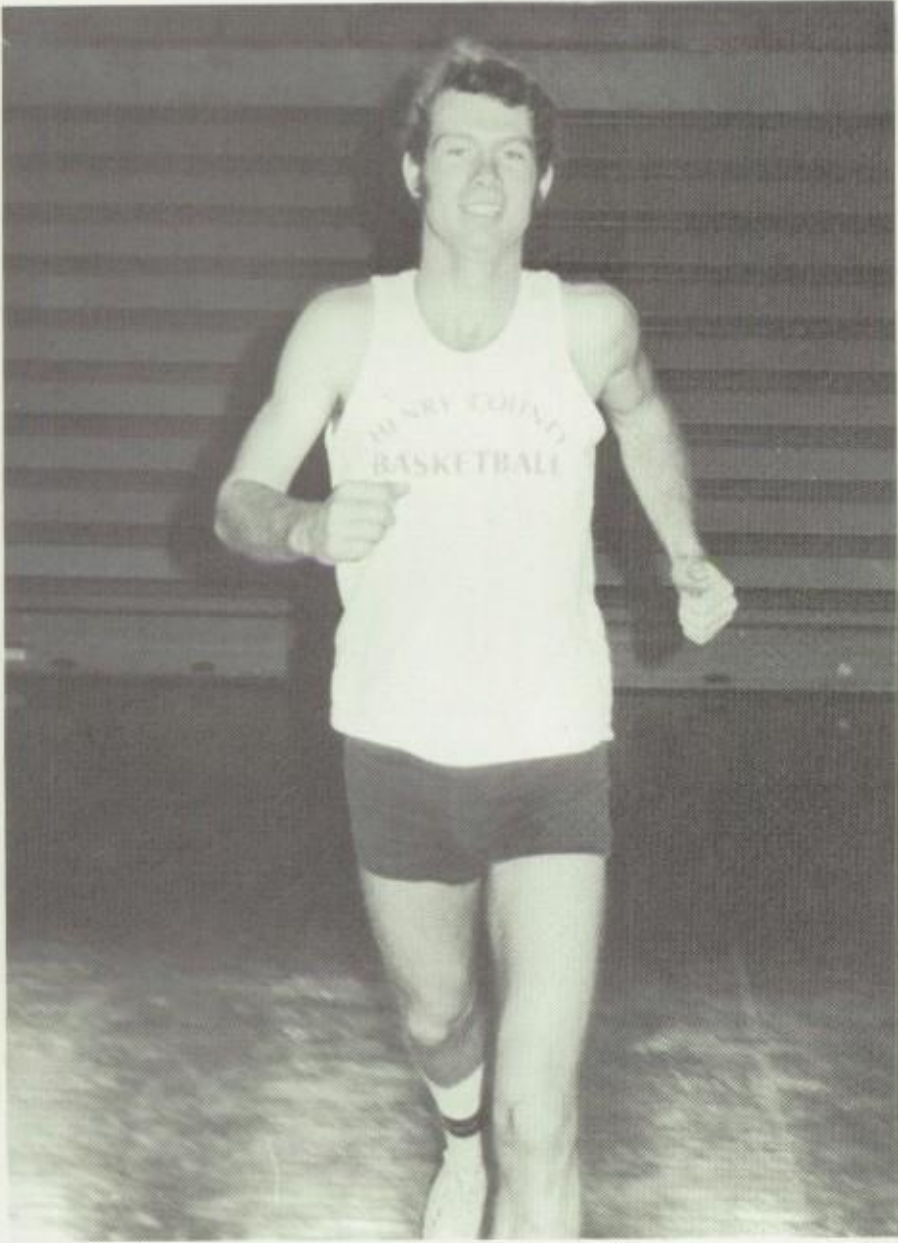

ROW ONE: J. Prueitt, J. Sams, T. Jones, M. Dawkins, J. Stout. ROW TWO: P. Kroth, G. Prueitt, W. Gividen, D. Grubbs, D. Cox, S. Douglas.

Even though the track team is small in quantity it is not lacking in quality. Several members have a good chance of winning in the region, then going on to the state. Wendell Gividen represents the team in discus and shotput, George Prueitt in the triple-jump, and David Grubbs in the 180 low hurdles. Steve Bailey runs in the one-mile and Morris Dawkins is our star two-miler. So, keep on "trackin" boys! Look out State, here we come!

Morris "Duck" Dawkins gets in shape for the two-mile.

Varsity Cheerleaders

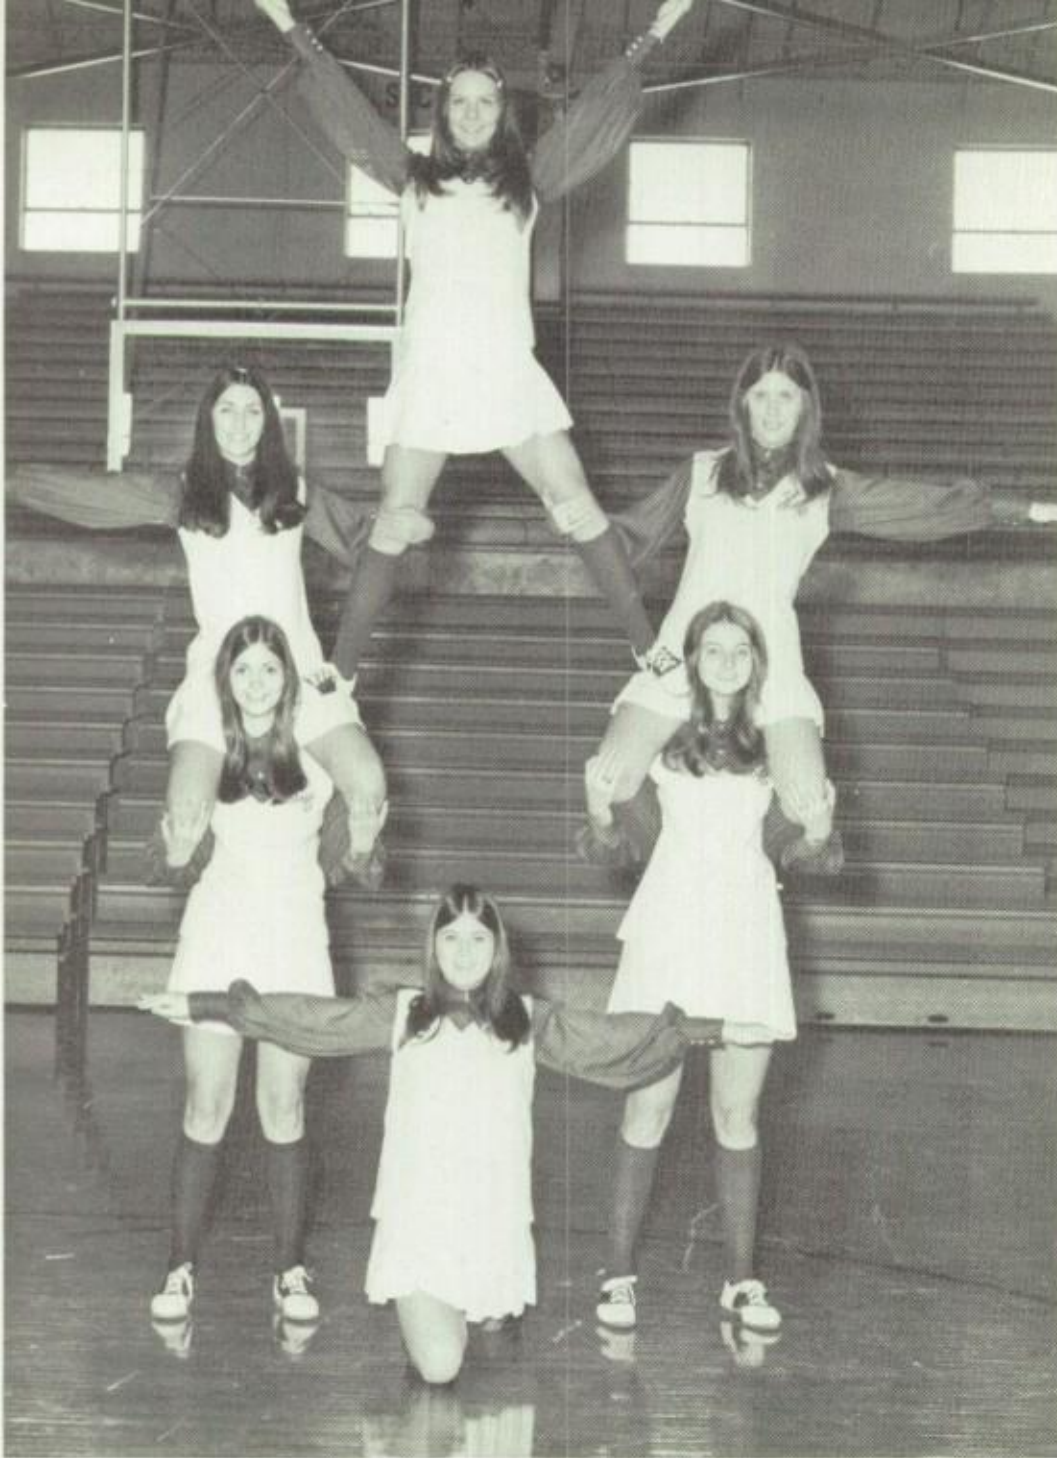

The 1973 Varsity Cheerleaders had high hopes for a successful season. Co-captain, Elisa Newman said, "We have a great squad this year and we're going to the top."

Pride is only one relationship these hard-working girls have. They are also very close. By doing things together outside of cheering, they can acquire such a relationship.

With their new cheerleading sponsor, Marie Baker, the varsity corps was off to camp. Diligent preparation and weekly practices readied them for the football season.

When basketball time came, our cheerleaders had the experience together to work miracles. This was the time when competition arose. They were competing with other squads. But the main concern was to arouse spirit throughout the crowd.

Before the games, our cheerleaders did a few exercises to loosen up. "These are essential in getting in shape for the game," said Co-captain Carol Jean Fisher. With their exercises and the hard work shown, these Varsity Cheerleaders are the greatest ever.

Janice Tingle, Elisa Newman, Carol Fisher, Paula Edelstein, Cathy Long, Venedia McKee.

Excitement increases as the cheerleaders encourage the team and its fans.

ROW ONE: C. Long, E. Newman, C. Fisher. ROW TWO: J. Tingle, P. Edelstein, V. McKee.

C. Ethington, L. Hawkins, J. Crowe, B. Harris, C. Baxter, T. Williamson.

Sandy,
Well here
goes! You're the
sweetest girl a friend
could have. Funny a
times and other times not
so funny. HA! HA! It's hard to
tell we will be friends
next year and only 2 more
years left to really be friends.
We've had a lot of good times
together, at camp at slumber parties
and other places. We hope there will
be many more good times. We've had
a lot of bad times too, but we'll let them
slide. Sandy. Good Luck in all your

Tandy,

we may not be as good as friends as we used to be, but I know we will always be good friends. I guess all through these years we've taught each other a lot of lessons, what not to do and what to do. It seems that as years do go by friends separate and go in different ways, so which ever way you may go have the best of luck always and always wear a smile!

Tandy,

You are one of the best, funniest, greatest, marcher, horn players, I have ever known. I know you will go far in life and even maybe farther. I have had a lot of fun in Biology with you even though you made me bleed.
